Program

The program at the Academy uses the latest teaching approaches that make learning English a satisfying and enriching experience.

Intensive English Program of Core Courses

These courses teach you English while introducing American culture. We offer courses to accommodate all levels of learners: basic literacy, beginning, intermediate, and advanced.

TOEFL & TOEIC Test Preparation

The TOEFL test measures your English language proficiency for college or university. The TOEIC test measures your English ability for work. Our test preparation courses will prepare you to answer test questions while increasing your English language proficiency and building your confidence with practice tests.
